Authorize Twitter

This is a website from twitter, Press authorize app, and you will be given a pin code for our application. If you are not logged in to twitter in your web browser, you will need to log in there first.

Authorize Social Awareness System to use your account?

Authorize app

Cancel

This application will be able to:

- Read Tweets from your timeline.
- See who you follow, and follow new people.
- Update your profile.
- Post Tweets for you.
- Access your direct messages.

Will not be able to:

- See your Twitter password.

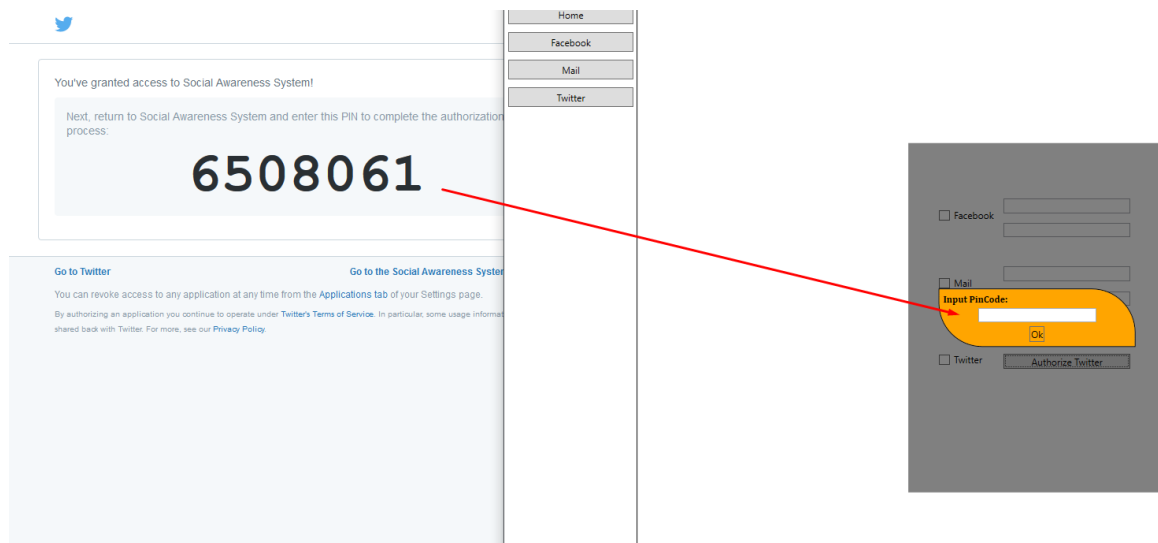

Social Awareness System

www.google.com

Gathering all social media in one place.
School project on the University of Agder

Put the pin code into our application and press OK. You have now authorized our application to gain access to your twitter account.

Now you can go to the twitter TAB on the left. Here you will see the recent tweets in your timeline (by people you follow) At the bottom you can also write and publish your own tweet. 😊
